

**Email Subject Line:** Celebrate MFG Day: Witness the Future of Manufacturing and Meet the Next Generation of Creators

Dear [Recipient's Name],

My name is [Your Name], part of the team at [Your Company Name], which employs [x] in [x]. On [Your Event Date], we are participating in Manufacturing Day (MFG Day), an annual event to build excitement about modern manufacturing in the United States.

We invite you to join us on this day. Our facility will be hosting a tour for the next generation of creators [provide details of the schools/students visiting if known]. As an influential leader in our community, your presence would be inspiring to them and serve as a strong testament to the importance of our industry. You'll also help us amplify the "Creators Wanted" message that manufacturers are sending to students and people all across the country.

Please reach out to me at [Your Contact Information] for further details or to confirm your attendance. We hope you'll help us celebrate MFG Day!

Best,

[Your Signature]
